

Case Study: *Secure Entire File Room With Entryway Rollok Door*

Client: *Parker College of Chiropractic*

Situation:

- Office not compliant with HIPAA
- Thousands of existing files
- Tight floor space
- Security needed for large room full of shelving units

Solution:

- One door secures all files
- Quick and easy installation
- Attractive and worry free
- Floor space is maximized without swinging doors

Quote:

"We found that the installation was done in a timely manner and the doors have secured the area as expected."

- John Norfleet,
Parker College of Chiropractic,
Dir. of Centers Business Affairs
